

## AgilitySeminar with Shauna Oliver, December 1-3,2023

*Happy December... Shauna is back.! Shauna started training dogs when she was 17. Working at the Humane Society she eventually moved to the behavior department and to the public training department. In 2020, Shauna opened her own training facility in Edmonton, Alberta. Now she trains full time and travels around the world teaching and competing in agility. Shauna became a world level agility competitor in 2016 when she brought home her first gold medal for Canada with her dog Splash. She is currently competing with multiple different breeds. We are lucky to have her back and look forward to the fun she has in store for us.*

What are you looking to get out of the seminar:

**Dog's profile:**

Has your dog bitten a person or a dog (except puppy nipping)  YES  NO

(This does not preclude you from the event)

If yes, please provide details.

Can your dog work with another dog out in the arena?

Does your dog need extra space in transitions with other dogs?

Please provide us with any information that could help us help you make your dogs seminar experience successful.

le? My dog is sound sensitive and is afraid of whistles. Or my dog does best with starting and ending sessions on a perch or bed.

Please identify any illnesses or health issues your dog has experienced.

## Waiver/Refund policy

I understand that undertaking dog training is not without risk. I agree to indemnify and hold harmless, Smart Dog Training, Sherry Antonishen and employees from any and all claims of injury, expense, costs or damages during classes and training sessions. In addition, I agree that I will defend and indemnify Smart Dog Training, Sherry Antonishen and employees for any injury, expense cost or damages to any dogs, handlers, property or to third parties arising out of my own actions or the actions of my dog during and after training. PLEASE NOTE. THERE IS AN ACTIVE GUN RANGE A FEW PROPERTIES OVER. Most dogs ignore the gunshots but if your dog is afraid of guns please do not sign up for the seminar. There is usually range work on the weekends.

Seminars are not subject to refund unless your spot can be filled by another participant.

I understand my dog is awesome and I am committed to science-based positive reinforcement methods laid out by Smart Dog Training. This includes the use of food and toys in training.

I have read the above and agree to accept those responsibilities.
