

Agility Seminar with Karen Childs Aug 9-11, 2024

Karen Childs was born and raised on a sheep farm in rural Ontario, Canada. Since a young age, she has been passionate about working with animals of all species and in many disciplines - but the world of dogs and agility is where her heart lies.

Her agility journey began in 2010 when adopting a little red and white border collie. Since then, she has represented Team Canada on numerous occasions with multiple dogs across two heights. Her list of teams includes European Open 2015, 2016, and 2017 with Cash. European Open 2019 &, WAO wildcard 2019 with Keys. European Open, Agility world championships in 2022 with Glow, and WAO 2023. J.R. EO alternate 2022, and AWC Large & Individual 2023.

One of Karen's accomplishments she holds closest to her heart is winning the US open 20" National final in 2018 with her dog Cash.

Karen owned and operated her own dog training business in Ontario from 2015-2019, relocating with her husband to Edmonton, Alberta in 2019 allowed her to focus entirely on dog training. She has a great deal of experience working with a wide variety of teams, always concentrating on bringing out the best in each partnership and ensuring everyone enjoys the journey - dog and humans alike!

She lives with her husband, 8 border collies, 1 papillon and four sheep!
